

DURBAN

BARIATRIC SURGERY

Your journey to a healthier life begins with **Durban Bariatric Surgery**.

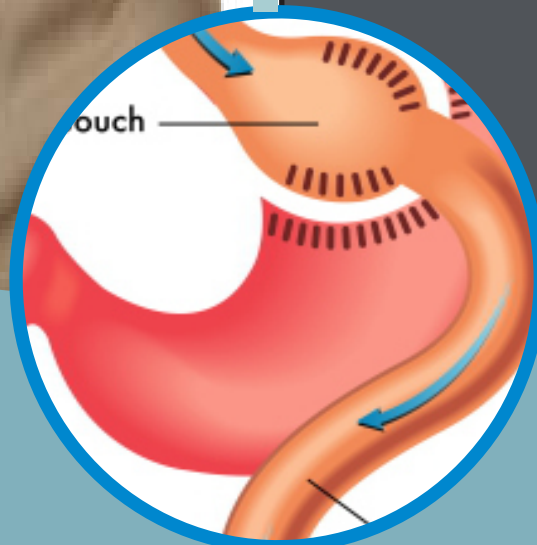

This initiative was created by **Drs. Du Toit, Funnell and Partners** with the specific aim to service the growing need for weight-loss and general surgery in Durban and the greater Kwa-Zulu Natal Province of South Africa.

We specialize in the treatment of severe obesity and related health conditions.

Durban Bariatric Surgery, we pride ourselves on providing compassionate care to enhance the quality of life of our patients through **surgical weight management**.
